RentEZ

4inch to 12inch
EZ Valve® Installation

RentEZ

PROGRAM

- Rent-free lease with the option to purchase AVT's EZ Valve Kit which includes the EM Tool (proprietary cutting device and accessories)
- Available for 4inch to 12inch standard EZ valves

DETAILS

- EZ Valve Kit 'rent-free' and indefinite. Lease remains in effect as long as the customer remains in compliance with its terms
- Six valves to be purchased up front. After 60 days a further six valves must be purchased every six weeks.
- Penalties for late return of EM Tool

TRAINING

- AVT provides an online curriculum followed by a face to face training session (at your location or our Chicago base) to certify proper and safe operation
- Training must be completed to operate the equipment
- Training charged at agreed rate

OPTION

- Option to purchase at any time during the lease term, removing the need to purchase the agreed number of valves per month.
- Purchase of consumables from AVT
- Purchase of add-on for special size valves

REQUIREMENTS

- Adhere to AVT's required maintenance program for the EZ Valve Kit
- Keep the EZ Valve Kit insured against all risks of theft, loss, damage or destruction
- Do not make, cause or permit to be made, any improvement, modification or alterations
- Do not disassemble or reverse engineer
- Certified installers only to operate the EM tool

WARRANTY

- AVT warrants that the equipment will be free from defects in materials and workmanship during the lease term

Advanced Valve Technologies (AVT) is part of ClockSpring|NRI, the high-performance critical infrastructure solutions company. AVT's advanced solutions are based on simple designs that minimize risk to the environment and reduce costly downtime. Our primary focus is on disruptions in water service that cost providers money and leave end users without service.
